## Waddow Lodge is our May visit

Our May meeting is an afternoon trip to Waddow Lodge Garden in Waddington, near Clitheroe.

The gardens around this Georgian property have been transformed by Peter Foley, who ran Holden Clough nursery for over 30 years, and Liz Dean to create a plantsman's garden full of interesting and unusual plants.

Set in the beautiful Ribble Valley the garden is host to hundreds of plants collected over the past 40 years. These include herbaceous perennials, grasses, old fashioned and modern roses and shrubs, heathers and rhododendrons, dwarf conifers and alpiners.

There are also shade-loving perennials and bulbs along with fruit and vegetables in a new kitchen garden area.

In addition a small orchard of classic old apple varieties, many native to Yorkshire and Lancashire, is being established as a small wildflower area. A wet meadow further down the garden now boasts a new pond and stream with wild flowers and to encourage wildlife into the garden.

Make your own way there on Thursday, 17 May. There will be a small entry charge which goes to charity. Check our website for details nearer the time.

- *Peter Foley returns the visit to Oxenhope in September when he will give a talk about plants for problem places.*

## Jo's down to earth style

Jo Maiden, Radio Leeds' gardening expert, gave a highly entertaining talk on Thursday, 15 March. He seamlessly regaled us with amusing anecdotes whilst imparting useful tips on vegetable cultivation and plant propagation.

His boundless enthusiasm for the humble spud came over strongly, and throughout the evening he generously gave out tips and hints for getting the best out of each tuber.

An enticing display of plants for sale created an attractive foreground – some of them even doubling up as props during his talk!

## Chairman's message

April's talk is the last evening meeting in the village hall until September.

This means we now have four garden visits to look forward to over the summer months. Let's hope the weather holds.

In May we visit Waddow Lodge near Clitheroe, York Gate near Adel in June, and High Hall, Steeton in July. Not forgetting summer lunch at Stepping Stones on Sunday, 5 August.

We return indoors for our first meeting of the autumn season in September .

**Don't forget helpers are usually needed for the tea and coffee rota for our meetings.**
