Gardening club news

January 2018

Happy New Year from the committee and welcome to the Oxenhope Gardening Club programme of 2018. As you know, the committee spends most of its meetings discussing ideas for the following year and reviewing the current programme. The committee needs to plan at least a year ahead to be successful in booking the speakers we hope to engage, especially our keynote speakers. We booked our keynote speaker for 2018, Fergus Garrett, almost 18 months ago! We try to get a balance of subjects and speakers to ensure we can provide something of interest for everyone, which we hope we achieve. We always welcome feedback and suggestions from our members. The committee hope you enjoy the programme we have planned and find it interesting and stimulating. Happy Gardening!
