## Gardening Club News

January 2026

### Welcome to January's newsletter

The purpose of this brief newsletter is to wish all our members a very Happy New Year and to give you a taste of the gardening Club programme for 2026! Let's hope the world becomes a less troubled place in 2026. At least we have our gardens to provide some calm and peace in an increasingly unpredictable and fractious world. The committee hope you find this year's programme interesting and inspiring. Full details of next month's speaker will be in the February newsletter. Sandra.

Scapegoat Garden

This year, as well as the usual programme of speakers, we have been very lucky to add a club visit to our programme in May. The NGS garden at Scapegoat Hill in Golcar, which is near Huddersfield, has very kindly offered to invite members to a private visit at 2 pm on Friday, May 15<sup>th</sup>.

Scapegoat Garden

We look forward to seeing you all in February!
